**Re: Western Wireless' Limited, Conditional Petition for  
Waiver of Number Pooling Obligations in McAllen-  
Edinburg-Mission, Texas,  
CC Docket no. 99-200, CC Docket No. 96-86, CC Docket  
No. 95-116.**

Dear Ms. Dortch:

I, on behalf of Western Wireless Corp., made an *ex parte* presentation today to Chris Libertelli of Chairman Powell's office. On February 4<sup>th</sup>, we made a similar presentation to Barry Ohlson of Commissioner Adelstein's office. My outside counsel, Chuck Keller, accompanied me.

The presentations highlighted the waiver Western filed on November 27, 2002, in the proceeding referred to above. I stressed that it would be enormously wasteful of limited resources for Western to participate in mandatory thousands-block number pooling for a few rate centers within the above-referenced Combined Metropolitan Statistical Area

If you have any questions, then please contact me at 202-654-5903.

Respectfully submitted,

Mark Rubin  
Director of Federal Government Affairs  
Western Wireless Corp.
